## ABOUT

---

A Computer Science Student , a Certified Ethical Hacker ,developer and programmer, working on web development and trying hands on different fields. Currently acquiring knowledge on Ethical Hacking . Detail-oriented and ambitious engineering student with a passion for obtaining accurate results and working on a team. I am a learner and can adapt to changes real quick. My short term goal as of now is to learn and boost my skills in Data Structure and prepare for CEHv12. I'm an easy going , determined and persistent person .
